

(BY MISS SOPHIA MEYER)

Morning. Love, and skies are gray;
By your window breezes play.
Whilst the Tamar wends its way
To the sea.

Noonday. Love, and skies are fair,
Hecklers glisten everywhere
Bird and bull and blossom bear
News for me.

Evening. Love, and skies are red,
Earthward leans the daisy's head—
God bends low about his bed.

Mandal. He—
Night. Love, Night and skies are blue;
Hosts of stars are peeping through,
He who guards the dunes, too.
Shelters them.

It has been requested that every woman in the Panhandle who is anicipating making an exhibit at the Panhandle State Fair which opens September 12th begin right away to work towards that end. The time is fast approaching when it will be too late to begin and needless delay especially should begin at once to get their displays in readiness. Mrs. H. B. Jones and Mrs. Howard Trige have been selected as general superintendents of the Women's Department and Mrs. D. W. Owen, Mrs. W. H. Meador and Miss Cora Avery have charge of the Textile Division. It is especially requested that all prospective entrants observe the following rules and regulations of the exhibition.

The entry books of this department will be open September 12th and will close at 12 m. Sept. 12th, 1916. All articles must be entered during that time. In making entries follow the wording in premium book.

Articles in the Textile Department can only be exhibited by the maker, and whenever the Superintendent receives information or has a doubt that the article is not made by the exhibitor an affidavit will be required from the exhibitor to remove the question of doubt.

No exhibitor will be allowed to interfere in any way with the judges in the performance of their duties. Any one violating this rule will be excluded from the exhibition.

No charge will be made for entries, space or show room and premiums will be paid in full by per report of the judges.

All cloth work must be exhibited as a whole.

Articles offered for sale cannot compete for premiums.

All articles entered in competition in this department must have been made within the last four years.

A "display" must consist of three articles, a "specimen" must be an article entirely finished. The judges in awarding premiums must consider the quality of work, etc., variety.
